Um hello out there? Is this on? \*tap tap\*

Hey everyone, this is Karthon filling in for Ratti's ranting space so you won't get your volumey dosage of Ratti goodness, sorry.

What you will get is another volume of Houshin-goodness instead, hapefully that'll make it up to you guys. So what do you think so far? Everyone's dying, we have the Bunchuu fight coming up, and we still have 6 more volumes of story to go, Whee~

Ohi yeah, and barring a major miracle, this'll be the last volume we manage to get out by July 4th. So a quick thanks to all the people who helped with these chapters. Snoopy, Kokjibi, Seki, IL-2, Ratti, and BM, Thanks ^\_^

A high-contrast, black and white manga-style illustration. The central figure is a character with long, flowing, light-colored hair or a long coat, depicted in a dynamic, almost dancing pose. They are wearing a dark, high-collared garment with a circular emblem on the chest. The character's arms are outstretched, and their body is angled towards the viewer. The background is a dramatic, high-contrast scene with a large, dark, rocky formation on the left and a bright, sunlit area on the right. A palm tree is visible in the distance. The overall style is characterized by heavy black ink and stark white highlights, creating a sense of intense action and drama.

I MUST FINISH  
EVERYTHING NOW!!

LEAVING  
DEEP SCARS  
IN EVERY-  
ONE'S

AND SO  
THE SENNIN  
WORLD  
CAME TO  
AN END

Seki-

And that ends the second arc of the series, the end of the Sennin World (and War!). The last two chapters were really, really depressing, and they make Houshin Engi what it is. It's tearful every time you read it, and Shadow points out that it's the first manga that ever made him cry. (Maybe the last, too). It ends quite different from the anime... and the manga hasn't even ended yet!

Despite all of it's comedic moments and the cool-ness factor of the people and all, it's the portions like these that really make us stand back and be surprised at how deep and depressing Houshin Engi can become.

There's a lot of symbolism all over the place, too, but that may take more than one read to pick up on (hint hint XD).

There're 56 more chapters to go, and everything will be revealed then! Stick around and keep reading, the best is yet to come! XD

I'd say it was part three, but I agree  
with Seki in most other aspects XD  
(Well, I don't know how it'll end)

SEEN ANY  
SENNIN

-BUT THAT  
MEANS WE  
DON'T KNOW  
WHERE TO  
START  
LOOKING

IF WE'RE  
LUCKY

HIM

EHHHHH?  
IN THIS LARGE  
COUNTRY?  
THAT'S LIKE  
FINDING A RICE  
GRAIN IN A  
DESERT

VOICE...

YOU MUST  
CEASE  
YOUR

MESSAGE  
TO A FRIEND

WHO'S A  
FRIEND!?

SOUTH TO  
SOUTHWEST  
FROM HERE

YOU WILL THEN  
COME UPON  
TAIJOU ROU-  
KUN'S LEGEND-  
ARY HIDING

IF TAIJOU ROUKUN  
WERE TO APPEAR,  
THINGS COULD  
BECOME EVEN MORE  
INTERESTING

NO MATTER  
WHO COMES  
TO HIM, HE IS  
NOT TRULY

IT'S A  
ONE-WAY

AS YOU CAN  
SEE, THE  
CLOUDS ARE  
ALWAYS HEAVY  
SO IT'S DIFFI-

SEE

IF YOU DO  
LOSE SIGHT,  
YOU WILL  
NEVER MAKE  
IT TO YOUR  
GOAL!

BE CAREFUL AS  
TO NOT LOSE  
SIGHT OF ME!

A request to Fuji  
Ryuu sensei

"Where's the Cliff Now"  
should try a "Tone-less"  
approach. I want to see it  
badly because sensei is  
very tone-ful!!!

P.S.

Keep going at it,  
you're awesome  
!!!

Where's the  
Cliff Now 19

BY THE WAY,  
THE "THIS WEEK"
